AUDITOR'S REPORT

We, the undersigned Auditors for the Town of Cornish, N. H. hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Trustees of Trust Funds, Library Trustees and find them correctly cast and properly vouched.

Edna W. Guest
Eben A. Farnsworth

SELECTMEN'S REPORT

This has been the most active year for the Town and the Selectmen in their memory, with a great deal of resident interest and participation in the affairs of the town.

The demand for small tracts of land and with it, the prospect of great population growth, has brought problems for town planning. Demands for public services, pollution control, and fire protection are crowding in on the town.

In accordance with the vote of the Town, a Conservation Commission was established under the provisions of RSA 36A.

The sum of $1,000.00 raised for a Tax Map of the Town has been appropriated and placed in a Capital Reserve Fund. Various concerns and individuals have been contacted in getting estimates of costs of such a map.

The $1,000.00 raised for the repair of the fire pond on School Street was insufficient to do the job, so the money was appropriated and held over for further action by the Town.

A Historical Committee of three was appointed in accordance with the Town's vote and the committee's report appears on another page.

TRA funds were used to fit and tar the remainder of the Jackson Road.

Duncan Fund money was used in improving the Parsonage Road.

Thanks to a contribution of $1,300.00 from the Cornish Fair Association, an oil furnace, insulation, storm doors, and storm windows were installed at the Selectmen's Office. Myron Quimby and Hollis Boardman, Sr. contributed their own time and repainted the interior of the office. All of this has made for a big improvement in the building.

Michael M. Yatsevitch
Hollis J. Boardman, Sr.
Myron E. Quimby

Selectmen of Cornish, N. H.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

You are hereby notified to meet at the Town Hall in said Cornish on Tuesday, the sixth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1 of the Warrant will be acted upon at 10:00 a.m. and voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 a.m until 7:00 p.m. at which time polls will close.

At 1:00 p.m. Article 2 through Article 20 will be acted upon.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(a)	Town Officers' Salaries	$6,750.00
(b)	Town Officers' Expenses	2,750.00
(c)	Election & Registration Expenses	600.00
(d)	Expenses of Town Hall & Other Town Buildings	4,500.00
(e)	Employees Retirement & Social Security	3,500.00
(f)	Police Department	1,500.00
(g)	Fire Department	1,700.00
(h)	Insurance	1,700.00
(i)	Planning & Zoning	350.00
(j)	Cost of dogs	300.00
(k)	Damages and legal Expenses	400.00
(l)	Health Department	100.00
(m)	Vital Statistics	100.00
(n)	Visiting Nurse	100.00
(o)	Town Dump	1,000.00
(p)	Town Maintenance and General Expenses of Highways and Bridges	52,200.00
(q)	Street Lighting	250.00
(r)	Town Road Aid (State's share $7,670.89)	1,150.63
(s)	Library	1,500.00
(t)	Town poor, Old Age Assistance and Aid to Soldiers	3,000.00
(u)	Memorial Day	50.00
(v)	Cemeteries	2,500.00
(w)	Capital Reserve Fund for Fire Truck	1,500.00
(x)	Interest on Temporary Loans	1,700.00
(y)	Interest on Long Term Notes	1,000.00
(z)	Payment on Long Term Note	8,000.00
(z1)	Capital Reserve Fund for New Highway Equipment	1,000.00
(z2)	County Taxes	Necessary Amount

3. To see what action the Town will take in regard to the preparation of a Tax Map of all town property. (This Tax Map must be ready by the year 1980), and to see if the Town will raise and appropriate the sum of $1,000.00. yearly to be placed in a Capital Reserve Fund, to be used in the preparation of this map at the selectmen's discretion.

4. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for matching funds for the purpose of repairing the "Cornish Flat Fire Pond" at the end of School Street. (Voted unanimously by the Cornish Conservation Commission, January 25, 1973.)

5. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Historical Committee to be used in putting out a 4th edition of the Town History in 1973.

6. To see if the Town will vote to raise and appropriate the sum of $1,000.00 annually, to be placed in a capital reserve fund for the work of the Conservation Commission.

7. To see if the Town will vote to raise and appropriate the sum of $1,268.00 to assure ambulance service for the Town of Cornish. And to see if the Town will vote to authorize the withdrawal of the above amount from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

8. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund, under the provisions of the State and Local Assistance Act of 1972, of $4,000.00 to make payment on the note due on December 15, 1973 on the New Fire Truck loan, as a set-off against this debt service incurred for "priority expenditures" since January 1, 1972.

9. To see if the Town will vote to authorize the withdrawal of the balance of the Town's Revenue Sharing Fund from the Revenue Sharing Fund Account established under the provisions of the State and Local Assistance Act of 1972. If the Town approves Article 7 of the Warrant, the balance to be withdrawn will be $3,151.00. If the Town does not approve Article 7, the balance to be withdrawn will be $4,419.00.

Funds withdrawn in accordance with this article shall be expended for the general upkeep, repair, and painting of the Town's bridges, as the Selectmen shall direct.

10. Amendment to Regulations Relating to Trailers, Mobile Homes, Mobile Home Parks and Camping Areas.

The Selectmen of Cornish, N. H., upon recommendation of the Planning Board, propose the following:

1. That Article 1 of the Regulations Relating to Trailers, Mobile Homes, Mobile Home Parks and Camping Areas be amended to

include a definition. E. Tents: A tent is any fabric structure without permanent foundations, which is not equipped with the following: running water, sanitary facilities, bath facilities and toilet.

2. That a new Article III-A be inserted as follows:

TENTING

Any person desiring to occupy a tent in any location in Town, except in a licensed camping area, for a period of more than seven days, must apply for a permit from the Selectmen. The Selectmen shall direct the Public Health Officer to inspect the site on which the tent is to be erected, and said officer shall report to them on the suitability of the site for extended camping. If the Selectmen, in consultation with the Public Health Officer, determine that the site is unsuitable for health purposes, the Selectmen shall withhold the permit.

11. Amendment to Building Code

Are you in favor of the Adoption of the following amendment?

The Selectmen of Cornish, N. H., upon recommendation of the Fire Department and Planning Board, propose and recommend the amendment of the Building Regulations of the Town of Cornish by the repeal of Articles I, II, and III thereof, and the substitution therefore of the "Life Safety Code 1970", NFPA No. 101, published by the National Fire Protection Association. Chapters 1 through 17 of this shall become Articles 1 through 17 of the Cornish Building Code.

12. Amendment of Building Code

The Selectmen of Cornish, N. H., upon recommendation of the Fire Department and Planning Board, propose and recommend the further amendment of the Building Regulations by the adoption of the National Building Code, 1967 edition abbreviated. If adopted, this article will cause Sections 1 through 53 of the National Building Code to become Articles 18 through 70 of the Cornish Building Code.

13. To see if the town will vote to raise and appropriate the sum of $100.00 for the purpose of publicising and promoting the natural advantages and resources of the town, together with other towns in the Dartmouth-Lake Sunapee Region.

14. To see if the town will vote to become a member of the regional planning commission, now organized and named the Upper Valley Planning and Development Council, and to appropriate the sum of $762.00 as the town's share of the annual operating expenses of the regional planning commission, to be used in conjunction with other State and Federal funds available for planning purposes.

15. To see if the town will vote to designate St. Gaudens Road from the point of beginning to the junction of Hell Hollow Road, as scenic under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Cornish and, further, that the selectmen of said Cornish shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (I).

16. To see if the town will vote to designate all roads in Cornish with the exception of routes 120 and 12A as scenic under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Cornish, and further, that the selectmen of said Cornish shall, regarding such roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid funds under RSA 241:7 (I).
(By petition)

17. To see if the Town will vote to instruct the Selectmen to sell or otherwise administer property acquired through tax sales.

18. To see if the Town will vote to instruct the Selectmen to borrow money, if necessary, in anticipation of taxes.

19. To hear the reports of Officers, Agents, Auditors, and Committees heretofore chosen and pass any vote in relation thereto.

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and seventy-three.

Michael M. Yatsevitch
Hollis J. Boardman, Sr.
Myron E. Quimby

TOWN OF CORNISH
INCORPORATED
1768
NEW HAMPSHIRE

COPY OF MINUTES OF ANNUAL TOWN MEETING

March 7, 1972

At the legal meeting of the inhabitants of the Town of Cornish, N.H. on the first Tuesday of March, 1972, being the seventh day of March at ten of the clock at the Town Hall in said Cornish, the annual town meeting and presidential primary was called to order by the Moderator, James F. Mackintosh, and the warrant as far as Article 5 was read. The ballots were counted, and the ballot box was inspected, and the polls were declared open.

In accordance with the usual custom, action was deferred on all articles except Article 1, 2, 3, and 4 until 1:00 p.m.

Article 1:

The following votes of those present and qualified to vote in said Town Meeting were cast: total - 454 (it being non-partisan for the first time, there were no Republicans and no Democrats except in the presidential ballots). The number of names on the check list used, is 669.

The following is a statement of the number of votes cast for each office and the person elected by said vote:

For Selectman for 3 years:

Myron E. Quimby had 344 votes
Arnold L. Wilkie had 79 votes

Other votes were:

Pauline Monette had 1 vote
Clarence Howard had 2 votes

Myron Quimby was declared elected, and took oath of office from the moderator before adjournment of the meeting.

For Town Clerk:

Bernice Johnson had 355 votes
Elizabeth Macy had 81 votes
Bernice Johnson was declared elected.

For Town Treasurer:

David A. Bevan received 373 votes
Edna Guest received 1 vote
Phillips Williams received 1 vote
David A. Bevan was declared elected.

For Tax Collector:

Carol F. Fitch had 420 votes
David Bevan had 2 votes
Carol Fitch was elected Tax Collector.

For Auditor for 2 years:

Eben A. Farnsworth, 395 votes
Mrs. Bill Overman, 1 vote
Eben A. Farnsworth was declared elected.

For Library Trustee for 3 years:
Maxine Williams had 1 vote
E. P. Jones had 1 vote
John Dryfhout had 1 vote
Joan Hier had 4 votes
Lois I. Amison had 347 votes
Lóis Amison was declared elected to the post.

For Trustee of Trust Funds for 3 years:
Walter Jenckes received 1 vote
Arnold L. Wilkie received 84 votes
Myron E. Quimby received 337 votes
Myron E. Quimby was declared elected.

For Constables:
Donald Monette got 1 vote
John Mistler got 1 vote
Levi LeMere got 1 vote
James McSwain got 1 vote
James McSwain, Jr. got 1 vote
Everett A. Seale got 173 votes
Dale R. Braley got 295 votes
Paul LaClair got 283 votes
Dale Braley and Paul LaClair were elected the constables.

For Overseer of Public Welfare:
James Hunt got 1 vote
Bill Tracy got 204 votes
Marion Boardman got 217 votes
Marion Boardman was elected to office.

For Highway Agent:
Wayne E. Nelson received 1 vote
Robert LaClair received 7 votes
Perley C. Welch received 36 votes
Hollis J. Boardman, Sr. received 126 votes
Harold A. Morse received 270 votes
Harold A. Morse was elected to the office of highway agent.

For Sexton:
Hollis Boardman had 6 votes
Wayne E. Nelson had 1 vote
Robert LaClair had 4 votes
Perley C. Welch had 90 votes
Harold A. Morse had 311 votes
Harold A. Morse was elected.

Bernice Johnson, Paul LaClair and Harold A. Morse were sworn into office by the moderator before adjournment.

Article 2:

To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved; under this separate ballot, the vote was for: Yes - 309, and No - 145. Thus Cornish voted that citizens must be 21 years of age to hold major public office.

Article 3:

To vote by ballot on the adoption of the zoning ordinance as proposed by the Planning Board. Yes - 212, No - 221.

Article 4:

To vote by ballot on the following: Are you in favor of abolishing the Planning Board as proposed by petition of the voters of this town? Yes, 176, No - 266.

Article 5:

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(a) Joseph Woodward moved to raise and appropriate the sum of $6,000 for Town Officers' salaries, seconded by Michael Yatsevitch. It was so voted.

(b) Fred Sullivan, seconded by James McSwain, moved Art. 5 (b) be postponed until after we take up Article 6. This was so voted.

(c) Robert LaClair, seconded by Paul Rollins, made a motion that we do raise and appropriate $1,200 for election and registration expenses, as this is presidential year, and the cost will be more. This was so voted.

(d) Myron Quimby moved that we raise and appropriate the sum of $4,500, seconded by Jill Edson. Ed Lawrence moved we add an amendment to read $1200 more, or $5700 be raised and appropriated, seconded by Dale Rook. Discussion by John Dryfhout, Bob LaClair, Merle Bean, J. T. McSwain, Mike Laurence, Joseph Woodward, and Michael Yatsevitch. Amendment was voted on, in the negative. Then original motion was voted on, in the affirmative. (Expenses of Town Hall and other town buildings.)

(e) Joseph Woodward moved we so raise and appropriate $3,200 for Employees' Retirement and Social Security, seconded by Donald Putnam, and voted on in the affirmative.

(f) Upon a motion by Bob LaClair, seconded by Joe Woodward, and after a short discussion, it was voted to raise and appropriate $1,500 for the Police Department.

(g) Ed Lawrence moved we raise and appropriate $2,305 for Fire Department, seconded by Dale Rook. Ellsworth Atwood explained the amount. Merle Bean wanted to reduce the amount by $750, thus being $1,555, seconded by Philip Rock. Ed Lawrence explained the reason for original figure again. Bill Overman, Clara Weld, and Joe Woodward spoke up in favor of first motion. Merle Bean and Philip Rock withdrew their amendment. The original motion was then voted on, in favor.

(h) Harry Nelson, seconded by Dale Rook, moved we raise and appropriate $90.00 for Blister Rust Control. This was voted in favor.

(i) This $1,300 for Insurance was explained to be for Workmen's Compensation, a required coverage, and upon a motion by Ed Lawrence, supported by Clarence Decatur, this was approved by all.

(j) James T. McSwain moved, seconded by Fred Sullivan, that we delay voting on this until after Article 6. This was so moved.

(k) $300.00 for damage by dogs was explained and upon a motion by Joseph Woodward, supported by Ralph Train, this was strongly so voted.

(l) $200.00 for legal expenses was discussed by Peter Burling, and he moved we do raise and appropriate that amount, seconded by Fred Sullivan. This was voted on in the affirmative.

(m) Ruth Rollins moved we raise and appropriate $50.00 for Health Department, seconded by Hollis Boardman, and so voted.

(n) J. T. McSwain moved we raise and appropriate $50.00 for Vital Statistics, seconded by Joe Woodward and so voted.

(o) Hollis Boardman, moved, seconded by Mike Laurence, that we raise and appropriate the sum of $100 for Visiting Nurse services. This was so voted.

(p) $1,000.00 to be raised and appropriated for the Town Dump was so moved by Myron Kuhre and seconded by Clara Weld. Ellsworth Atwood explained the changeover on dumping system would not come until 1976, but added amount was because people do not throw their trash where they should, and some have started fires at the dump, etc. The raising of the $1,000 was finally voted.

(q) Myron Quimby moved we raise and appropriate $30,000 for town maintenance and general expenses of highways and bridges, seconded by Clarence Decatur. Discussion was held on fixing up of the South Cornish to North Newport 9 miles of road, as it is 20 miles via Claremont. This would help the Blue Mtn. Assoc. people, and they pay more than anyone else in taxes to the town of Cornish. Claremont would fix the 200 feet of theirs and Newport already has worked on their road. John Dryfhout and Gerald Smith were not in favor of fixing up this old road, and moved and seconded a motion, amending original motion, to read $22,000. Robert LaClair suggested a 5-man commission be set up, to figure out what road should have work. The highway budget is $42,625.00. Peter Burling moved to raise and appropriate $38,000, $16,000 of which will come from gas tax funds contributed from the state to be used for maintenance purposes only. This was seconded by Bob LaClair. Then Bob LaClair altered the figure to $16,219 which we will receive, called the subsidy gas tax return, this amount to be used to reduce the appropriation of $38,000. This motion was voted on, in the affirmative.

Maurice Hodgdon moved that the Highway Department be put back on 45 hours per week, and that they be paid time and a half over 9 hours in any one day, or over 45 hours per week, whichever comes first. This was seconded by Merle Bean. This was amended to read "pay overtime over 40 hours, over 8 hours a day," seconded by Mr. Rock. Bob Bayliss said that after 56 hours, the state men get paid time and a half overtime, from Nov. 1 to Apr. 1. Joe Woodward suggested putting the highway men on a regular 45-hour week, and pay time and a half in excess thereof. An amendment was offered, to change 45 to read 40, and 9 to read 8. The men now work 40 hours a week. James Fitch said the men had taken a petition on Jan. 1st, and the highway crew had heard nothing from it since. Asked for time and a half over 8 hours, and also for working Sat. and Sun.

Moderator called for a vote on Hodgdon's motion – for time and a half over 40 hours, and time and a half over 8 hours per day. This was voted on in the negative. Then the original motion of Maurice Hodgdon's, to pay the highway crew time and a half when they work over 45 hours, and when they work over 9 hours a day, time and a half is to be paid. This was a vote in favor.

(r) Michael Laurence, supported by Phillips Williams, moved to raise and appropriate $198 for street lighting. This was voted.

(s) To raise and appropriate $1,162.64 for Town Road Aid, with State's share to be $7,750.93, was moved by Myron Quimby and seconded by Ed Lawrence, and so voted.

(t) Peter Burling moved to raise and appropriate $1,300 for use of Library, and this was seconded by Danny Hilliard, and so passed.

(u) The article to raise and appropriate $3,500 for town poor, Old Age Assistance, and Aid to Soldiers was so moved by Hollis Boardman, seconded by Joseph Woodward, and so voted.

(v) Ed Lawrence moved to raise and appropriate $50 for Memorial Day, seconded by Myron Kuhre, and so voted, in favor.

(w) To raise and appropriate $1,500 for cemeteries was moved by Fred Sullivan and seconded by Judy Rook, and so voted.

(x) Ed Lawrence moved to raise and appropriate the sum of $1,500 for the Capital Reserve Fund for Fire Truck, seconded by Clarence Decatur, and voted in the affirmative.

(y) Ed Lawrence moved to raise and appropriate $1,700 for Interest on Temporary Loans, supported by Fred Sullivan, and so voted.

(z) Clarence Decatur moved to raise and appropriate $800 for Interest on Long Term Notes, supported by J.T. McSwain and so voted.

(z1) On $5,400 to be raised and appropriated for payment of Long Term Note, Michael Yatsevitch so moved, seconded by Hollis Boardman, and voted on, in the affirmative.

(z2) Jerry Smith moved to raise and appropriate $1,000 for Capital Reserve Fund for new highway equipment, seconded by Joseph Woodward and so voted.

(z3) Myron Quimby moved that the necessary amount be raised and appropriated for payment of county taxes, and this was seconded by several, and so voted.

Article 6:

Fred Sullivan moved that the town establish a Conservation Commission under the provisions of R.S.A. 36A, and that the selectmen shall appoint said commission, to consist of five members, within thirty days of the said annual meeting, and that said selectmen shall also designate, for the purpose of calling the first commission meeting, a temporary chairman. This was seconded by J.T. McSwain, who explained that the Soil Conservation is making a map, and can do other things. Mr. McSwain moved that we allow Guy Wheelock, and Roy Shook of the Soil Conservation Service, to speak and explain their maps, etc., seconded by Myron Kuhre, and so voted. Both men spoke. J.T. McSwain then said this shouldn't cost the town anything to have this commission do a study. Michael Yatsevitch felt that $79 (or the difference between the two sums: $829 and $750) might be needed. Mike also amended the motion to read the commission be changed from 5 members to 7 members, seconded by

John Dryfhout. The amendment was voted on, and passed. Then the original motion, but with it consisting of 7 members, was voted on, in favor also.

Article 5 (b):

J.T. McSwain moved to increase by $829 the $3,500, making it $4,329 to take care of the expense of completing the soil survey, which was supported by Peter Burling, and so voted.

Article 5 (j):

Fred Sullivan, seconded by Jill Edson, moved to raise and appropriate $350 for Planning and Zoning. This was a vote in the affirmative.

Article 7:

Hollis Boardman moved to see what action the town will take in regard to the preparation of a Tax Map of all town property and to raise and appropriate the sum of $1,000 yearly to be placed in a Capital Reserve Fund, to be used in the preparation of this map at the Selectmen's discretion. This was seconded by Myron Quimby. Joseph Woodward, seconded by Jerry Smith, moved to eliminate the word "yearly" - to raise and appropriate the sum of $1,000 to be placed in a Capital Reserve Fund, and that the Selectmen will put this in the warrant in the ensuing years until this project is paid for - which amount was estimated to be $3,000. This was a vote in favor.

Article 8:

Dale Rook moved that we raise and appropriate the sum of $25,700 through notes over a period of time, to purchase a new fire truck, and this was seconded by Pete Decatur. After discussion, because of some monies already in a fire truck fund, and bringing out the fact that the low bid was for $25,700, it was moved to amend the motion to strike the amount of $25,000 and change it to $20,000. This was seconded by several, and so voted. On a motion of Peter Burling, seconded by Bob LaClair, it was voted to vote by paper ballot as to the check list. The result of this vote, voting on the amended motion: Yes - 111, No - 49.

Article 9:

Ed Lawrence, seconded by Dale Rook, moved that the town authorize the Selectmen to use the money in the existing Fire Truck Capital Reserve Fund for the purchase of a fire truck and equipment for it. This was voted on, in the affirmative.

Article 10:

Jerry Smith, seconded by Michael Laurence, made a motion to raise and appropriate the sum of $100 to repair the fire pond on School Street. Peter Burling moved to amend that to read that the town raise and appropriate the sum of $1,000, to be used at the discretion of the

Selectmen to repair the dam on School Street. This was so voted. Then a vote was called for the original motion, substituting the amendment, and it was in favor.

Article 11:

Ann Davidson made a motion, supported by Selma Lovejoy, to raise and appropriate the sum of $500 for the conversion of the heating plant at the George H. Stowell Library from wood to oil. This was voted on in the affirmative.

Article 12:

Ann Davidson moved that the town raise and appropriate the sum of $200 for use in operation and development of the Lebanon Regional Airport, seconded by Evelyn Allen. This was voted on in the affirmative.

Article 13:

Ellsworth Atwood made a motion that the Selectmen appoint a committee of three to start compiling statistics from the year 1960 for the next volume of Cornish Town History, and that this committee have access to the town records for this purpose, at the Selectmen's discretion. This was seconded by J. T. McSwain. Ken Lord amended it to read "convenience" in place of the word "discretion," seconded by Ed Lawrence, and so voted. The original motion, as amended, was then passed.

Article 14:

Selma Lovejoy moved to pass over the article, seconded by Pete Decatur. This was regarding boundaries being surveyed. Peter Burling requested, after some discussion, that the Selectmen of the town of Cornish mail to all abutters a report of all surveying operations on any land in the town which comes to their attention. This was seconded by several, and so voted on.

Article 15:

Fred Sullivan, seconded by Myron Kuhre, moved that we pass over the article. This was so voted. (article to prohibit storage of petroleum products)

Article 16:

To see if the Town will accept no new roads and that Highway Department policy be that of maintenance only of the roads we have, was voted on, against, and was thus defeated.

Article 17:

It was moved to pass over the article - that further installation of electric, telephone and cable T.V. distribution systems in this town shall be underground, including services to residents and to street lights. This was seconded and so voted.

Article 18:

Peter Burling moved, and Jerry Smith seconded, that the town instruct the Selectmen to sell or otherwise administer property acquired through tax sales. This was so voted.

Article 19:

Marion Boardman moved, seconded by Hollis Boardman, that the Selectmen borrow money, if necessary, in anticipation of taxes. This was a vote in favor.

Article 20:

Clara Weld made a motion that we accept all the reports of Officers, Agents, Auditors and Committees heretofore chosen, as corrected by the Selectmen, and that the report of the Recreation Committee be included. Ed Lawrence explained that there was $250 on hand in the treasury of the Recreation Committee, thanks to the Cornish Fair Assoc. giving the amount of $400 which had been formerly loaned to the Committee. Ed Lawrence submitted his resignation as Chairman. The article was voted on, in favor of accepting all reports as corrected.

Article 21:

Clara Weld made a motion that Pauline Monette and herself be given the responsibility of writing up a congratulatory message to the Cochran family for their success in the Olympics in Japan. This was so voted, as they once lived in town.

Ruth Stewart announced that an interested group of citizens would see that new curtains were up in the voting booths before the November election. She also said some firewood would be on sale at the library.

Barbara Rawson moved that the Selectmen be requested to investigate getting an exhaust or ventilating system as well as a P. A. system for the town hall, seconded by Ruth Stewart. Ed Lawrence volunteered the use of the Fair's P.A. System. The above motion was voted on and passed.

Hollis Boardman moved that this meeting give Ed Lawrence the authority to pick a new Recreation Committee, seconded by Paul Rollins, and voted on in the affirmative.

Ruth Rollins asked for a rising vote of thanks to Mrs. Avis MacMillan for her many years of dedicated service to the town.

A discussion was held on some of the old record books getting mildewed in the vault and Selectmen's Office bookcase. Carol Fitch reported there was a State Statute passed in 1967 that records can be micro-filmed and thus stored and preserved.

Peter Burling moved and it was seconded by Mike Laurence that the Moderator appoint a committee of unknown specified number to meet with the Selectmen concerning new roads, etc. throughout the year. This was voted on, and passed.

Ellsworth Atwood moved that the same Fence Viewers that served last year be re-elected - Fred Sullivan, Edwin Lawrence and Katherine Kibbie. It was requested that Jerry Smith be put on the Committee of Surveyors of Wood, Bark and Lumber, added to those of Lionel Tracy and Jesse Stone.

Stephen Brothers was nominated to the Hog Reeves; also Alfred Wonderlick. Jill Edson nominated her husband, George. Then Peter Burling was nominated. Finally Ellsworth Atwood moved, seconded by Bob Bayliss, that the Clerk cast one ballot in the name of the whole, for the above nominated people to the committees. This was so voted. The clerk cast one ballot. Necessary for election, one. The above people were elected.

Myron Kuhre, seconded by Ellsworth Atwood, moved to adjourn.

MINUTES OF THE
TRUSTEES OF TRUST FUNDS MEETING
November 29, 1972

A meeting of Trustees of Trust Funds attended by the three Trustees, Myron Quimby, Michael Yatsevitch, and David Bevan, was held November 29, 1972, at Mr. Bevan's office in Cornish.

Trust Fund income and expenditures for the year were reviewed.

The problem of decreasing available space in the cemeteries was discussed. It was decided to encourage a donation of land for the purpose of establishing a new cemetery in some suitable location.

It was also decided, due to increasing costs of maintenance, to require the establishment of a perpetual care fund in order to reserve a family lot, the maximum lot size to be four graves; and that perpetual care funds must be established at a minimum of $100.00 for one or two-grave lots, a minimum for 3-grave lots of $150.00. and a minimum for four-grave lots of $200.00.

Respectfully submitted:

Michael M. Yatsevitch
David A. Bevan
Myron E. Quimby

FIRE CHIEF'S REPORT

We had sixteen calls during 1972 including the forest fires.

At the 1972 Town Meeting it was voted to purchase a new fire truck. The bid was let to Edwin Lawrence for an Imperial Fire Engine, built on a Ford chassis, which was purchased from Don Miller Ford. The firemen with the cooperation of the town and highway department, have made the small barn on the old Fuller place into a fire station where one of the trucks will be stationed.

The Ladies Auxiliary raised money and purchased $1,669.25 worth of equipment, consisting of four flood lights, telephone stickers, extension cords, a generator, a portable pump and smoke ejector.

The firemen purchased the oil burning furnace for the new station and 1000 feet of 2-1/2 inch hose, plus some other small equipment at the cost of $1,772.50.

The Claremont Fire Department now has a Cornish Fire phone in their station. Thirteen of the Cornish firemen purchased Plectron alert sets. Claremont Fire Department will dispatch our fire calls over the plectron system.

On February 4, 1972 the Fire Dept. was called to Meriden under Mutual Aid to help them fight a house fire.

On May 1, 1972 over twenty men from the department went to the White Water Brook dam in South Cornish to help Claremont sandbag the dam which was washing out.

Respectfully submitted,

Ellsworth H. Atwood, Chief

REPORTS OF THE
FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire. Remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	33	10-2/3
TOWN	5	1-1/2

District Chief
Gerald S. Gross

Ellsworth H. Atwood
Forest Fire Warden

REPORT OF HEALTH OFFICE - 1972

This past year found the usual number of sewage and water problems.

Also did inspections of boarding homes for foster children.

Grace M. Rawson
Cornish Health Officer

ANNUAL REPORT

TOWN OF CORNISH PLANNING BOARD

1972 was a year of change for the Planning Board. Four new members were appointed to the Board to replace retiring personnel. The four are Polly Monette, Betty Macy, Peter Burling, and James McSwain, Jr.

During the year, the focus of activity for the Planning Board changed from the broader consideration of zoning and planning to the more specific problems of sub-division control and regulation. Between January 1, 1972, and December 1, 1972, fifteen sub-division proposals were filed with the town, eleven of which involved the simple bisection of existing lots, and four of which involved more comprehensive sub-division. To protect the town from potential environmental damage and increased road costs, the Planning Board proposed and then adopted a new set of sub-division regulations. The basic philosophy underlying these new regulations is the principle that all costs of sub-division must be borne by the sub-divider, and not passed on to the town or to abutting land owners. The word "costs" includes such things as highway maintenance expenditures, damage to the ecology of the town, and overburdening of town services.

During the year, the Planning Board spent literally hundreds of man-hours reviewing sub-division proposals, and walking parcels of land. With the exception of the so-called Beechwood Acres Sub-Division, no major sub-divisions have been approved in Cornish. The Planning Board anticipates a great deal of work before any approvals are in fact granted.

REPORT OF THE CORNISH FAIR ASSOCIATION

1972 brought another good year to our Fair. We again wish to thank those who attended, for their patronage, and those who helped set up the fair and work at it, for their assistance. As usual the monies derived from the Fair was put back into the Town or used to improve the grounds.

Some of the projects undertaken this year were: Improvements of the grounds with the cooperation of the School Board. The area behind the school was leveled for playground area and parking for the Fair, which has been a problem. It was decided that heat be put in the Selectmen's office to preserve Town records. Storm windows and a door were also added for this project, $1,300.00 of which came from the Fair. $1,000.00 was also donated to assist getting the school library started. More fill was added around the Town Hall, and lights were put at the school and at the rear of the Town Hall for year round use. These are on a rental basis and paid for by the Fair.

Our Fair will remain a good clean country fair and an asset to the Town as long as people keep cooperating as they have been.

The Association hopes to see all of you at our Fair in August of this year, God willing.

Respecfully submitted,
CORNISH FAIR ASSOCIATION

Edwin G. Lawrence, President 1972

REPORT OF HISTORICAL COMMITTEE

The Historical Committee has met and formed the following plans:

Rather than preparing a book along the lines of Vol. III of the Town History covering the ten years since that volume appeared, the Committee favors the preparation of a 50-100 page pamphlet, which could serve as the partial basis of a future large volume covering 25 or 50 years.

This proposed publication would include a brief account of important changes and developments in the Town during the last ten years, including town government measures, changes in population and type of residents and landowners, and new land use, actual and proposed. This section should be illustrated by a land use map or maps, such as those prepared for the Planning Board by Environmental Consulting Group in 1971.

Also proposed is a section devoted to some notable old public and private structures in town: churches such as Trinity and the Center Church, houses such as those on "Chase Street," covered bridges, etc. This section would benefit greatly from some photographic and architectual drawing illustrations, and might well include a map showing places of historic interest.

Thirdly, a determine effort would be made to bring the Town genealogies up to date, since this is a matter of special interest and concern to most citizens.

The Committee also suggests that it would be well to examine the old records in the Selectmen's Office and photocopy those of historical importance to ensure against their loss.

It envisages the future possibility of establishing a historical collection, made up of objects of local interest, when space and custodial requirements can be met.

The Committee proposes to coordinate its activities with those of the Conservation and Roads Committees and the Planning Board.

Hugh Mason Wade, chairman
Stephen P. Tracy
Dwight Woods

ANNUAL REPORT OF THE CORNISH CONSERVATION COMMISSION

Since the passage of the enabling act legislation providing for New Hampshire municipal and town conservation commissions in 1963, there have been 165 such commissions established in our state, and Cornish was one of the twenty-one established in 1972.

Our commission is empowered to:

1) Promote wise use of the natural resources and town-owned lands and to protect the watersheds.

2) Conduct researches into local land areas and coordinate the activities of other groups doing this.

3) Index or inventory open spaces and plan to properly use such open areas.

4) Print and distribute books, maps, charts, plans and pamphlets necessary for its work.

   Receive gifts of money and property (subject to the approval of the Selectmen).

5) Establish conservation trusts through fee, easements, leases and less-than-fee land and water covenants.

The members serve for periods of three years, after the initial establishment period.

In a number of towns throughout the state, conservation commissions are provided with an annual appropriation, the balance of unexpended funds are allowed to accrue from year to year and such funds are then utilized for the purchase of (in addition to any gifts or matching funds available) special tract of land(s) which the Commission deems to be of such importance that they must be preserved.

The last census (1970) recognized a situation in which New Hampshire is one of the three fastest growing states (in population) along with Florida and Nevada. Therefore we as a Commission see our duty to the Town as one of urgency for the future.

Some of the suggestions for goals were defined at the first meeting of the Commission (meetings are held the second Tuesday of each month at 8:00 P.M.) and they included the following:

1) Inventory important historic and natural areas.

2) Develop some idea of growth potential in the Town based on soil surveys information.

3) Improvement of land in high erosion areas.

4) Undevelopment of environments and resource study areas for young people, as well as property owners, on lands presently owned by the School Board.

5) Assure the completion of the Soil Surveys which has been going on over the past several years by the USDA Soil Conservation Service and the Sullivan County Conservation District. (The application was submitted over fifteen years ago and its completion in March of 1973 will make Cornish the first town in Sullivan County to be fully surveyed and mapped.)

Since that first meeting we have attempted to carry out some of those preliminary goals.

Our first action was the application for a grant of $750.00 from the Ford Foundation in New York, to assist us in the completion of the soil survey and the related activities of the Commission. This money was received in June and has been set aside for this purpose. In addition, the Town of Cornish voted to appropriate $829.00 (received in September) for the Soil Survey and the work of the Commission (see attached financial report). These funds will be budgeted in 1973 as follows:

Sullivan County Conservation District (service and costs of mapping)	$701.00
United States Department of Agriculture Soil Conservation Service (reimbursement of 50% of costs incurred in execution of contract for soil surveying)	440.00
Total	$1,141.00

The complete soil survey includes the following ten maps: wetlands; interpretation for septic systems; flood plains; homesite suitability; water run-off deliniations; soil condition; slopes; sand and gravel deposits; agricultural productivity; and road suitability. The fact that the soil survey for Cornish was actually begun about four years ago and we were one of the first applicants, has resulted in a saving of approximately $15,000. If we were to make the same application today, it would take at least ten years to complete the project.

We are therefore concerned that the maps and their interpretations find immediate use by the Planning Board, Zoning Board, Road Committee as well as the Selectmen and Fire Department, in all developments and future planning in the Town.

We as a Commission have been asked to assist the Planning Board this year in providing interpretations for future zoning of the Town, based of course, on the Soil Surveys. We have also been encouraged to develop policy on the installation of septic systems, since this will be one of the most problemsome areas, given the topography and geology of the Town.

We have sought to meet with both the Planning Board and the Road Committee during the year to coordinate our activities and keep informed. In this regard, the Conservation Commission has nominated one road, to be designated as a "Scenic Road". We were fortunate in having a discussion with the Secondary Roads Engineer of the State of New Hampshire Highway Department concerning this matter. The Scenic Road classification was adopted by the New Hampshire Legislature in 1971. During the past year over 140 towns have named various roads to this category and two towns have thus far declared that all their roads be designated as "Scenic Roads".

Once a road has been designated as such (with the exception of Class I and II highways, such as Route 120 and NH12A) the Planning Board of the town is given the responsibility for changes in the road, such as the removal of trees and stone walls - which would first be subject to a public hearing, after which the Planning Board would issue a decision. The Town is still eligible for funds under the Town Road Aid program, just as it has in the past, it is only that the Selectmen request the Highway Commissioner to suspend the usual TRA specifications.

This does not mean that such "Scenic Roads" cannot be improved or hardtopped. It just gives the Town more of an opportunity to determine the future development of its own roads and provides a better relationship with our natural and man-made environment.

The Cornish Fair in August provided us an excellent opportunity to communicate with the Town and our neighbors. "Cornucopia" was the name of the Fair Booth. It consisted of a continuous slide presentation illustrating the richness, beauty and unique qualities of our rural surroundings, well worth protecting. The large map of Cornish on which people could affix labels marking unique or otherwise noteworthy features of our town will assist us in the inventory of our natural and historic resources. A questionnaire surveying public opinion was answered by eighty-nine citizens of Cornish, roughly one-quarter of our residents. 97% of the respondents, who were all citizens, were willing to separate their household trash for recycling. 80% thought that the best agricultural land in town be reserved for such use. 86% felt that no septic systems should be installed in areas which have been determined as unsuitable by the soils map. 85% were in favor of expending town funds for the purchase of land reservations by the Commission. 68% felt that all roads in Town be designated as Scenic Roads. Half of the replies thought that all of Cornish should remain as it is.

Another project of special interest to the Commission is the development of the "Cornish Flat Fire Pond" at the end of School Street. The $1,000.00 funded by the Town for the rehabilitation of the pond may be matched by another $1,000.00 from the Bureau of Outdoor Recreation/New Hampshire Department of Resources and Economic Development. This pond could be used as a recreational facility for the town as well as a fire pond.

The Commission also went on record in support of the proposed Environmental Engineer for Sullivan County. Such a civil engineer would assist the town in road and subdivision problems and developments. Letters were sent to each member of the Sullivan County Delegation urging them to vote the funds for this position.

We also look forward to closer cooperation in the Upper Valley Regional Planning Council. Two individuals were named by the Selectmen to act as a Steering Committee in the reorganization and financing of the Council.

The Little Town Hall has been chosen as the archive for both the Conservation Commission as well as the Planning Board, for the storage of maps, reports and important documents.

In conclusion we want to again thank those in Town, including the Boy Scout Troop, the 4-H Clubs and those individual young people who participated in a Spring Clean-Up Campaign - picking up truckloads of rubbish from the roadsides. We also want to thank various individuals who although not members of the Commission have faithfully attended our meetings and have assisted in special projects, during our first year of endeavor.

L. Amison (Mrs. Ronald)

LIBRARY REPORT

We wish to acknowledge thanks to all of the patrons who were generous enough to give the library gift books. Ninety gift books have been given this year to the library. Thank you.

The new furnace has been installed and is keeping the library warm and cosy. The trim has been repainted and the bulkhead repaired by Joseph Woodward. Lois Amison, Trustee, helped to make bright new curtains for the front room. She has made cushions for the six captains chairs. Drop in to see how they brighten up the room. Maybe you will see a book to read at the same time.

After the installation of the furnace, Chuck Strobel cleaned and swept the cellar. It is hoped we may be able to start a historical room in the cellar. We would appreciate anyone who is interested in helping (in any way) to please contact one of the trustees.

In Cornish Fair, the library won first prize and Best of Show ribbons in the Special Exhibits Dept. Mrs. Selma Lovejoy set up the exhibit. Thank you.

Plans are in progress for a program to transport books from the library to the elderly or shut-ins.

I want to thank the trustees for paying for a Library Science Course which I took in June at the N.H. Vocational Technical College.

Three films have been shown to the children and it is hoped to start a regular program of once a month film showing.

Anyone wishing to volunteer their services or suggestions to the library to help extend the services of the library to the town will be greatly appreciated.

Number of Patrons visted the library	1,130
Books loaned out	2,515
Records loaned out	198
Magazines loaned out	466
New Books	90
New children's records	17
Books borrowed from Bookmobile	400
Books borrowed from District Office and N. H. State Library	30

Norma J. LaClair, Librarian

BIRTHS REGISTERED IN THE TOWN OF CORNISH, N.H. FOR THE YEAR ENDING DECEMBER 31, 1972

SCHOOL WARRANT
CORNISH SCHOOL DISTRICT
STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Cornish qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall, in said District, on the 3rd day of March, 1973, at 10:00 A.M. to act upon the Articles set forth in this Warrant.

Article 1 of the Warrant will be acted upon at 10:0 A.M. and voting will be by official ballot and checklist, and the polls will remain open for this purpose from 10:00 A.M. until 7:00 P.M., at which time polls will close.

At 1:00 P.M. Articles 2 through 9 will be acted upon.

Article 1: To choose a Moderator, Clerk, Treasurer, and Auditors for the ensuing year, and a member of the School Board for the ensuing three years.

Article 2: To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 3: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of District officals and agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 4: To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or state agencies, and to expend the same for such projects as it may designate.

Article 5: To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts and any other receipts from miscellaneous sources in addition to the original appropriation for 1973-74 for the lunch program, general expenses, equipment and improvements.

Article 6: To see if the Town of Cornish will vote that the school house and school property at Cornish Center be kept by the town and maintained as an active educational center. We think people should have the kind of education they need for their survival in case of emergencies or other unforeseen disasters. (By petition)

Article 7: To see if the District will vote to increase the members of the School Board from three (3) members as now constituted to five (5) members, as authorized under R.S.A. 197:15, the new members to be elected, commencing with the annual school district meeting for 1974, as follows:

One member for a term of one year.
One member for a term of two years.

And in subsequent years, commencing with the annual school district meeting of 1975, to elect a requisite number of members in order to maintain a membership of five (5), with each candidate to be elected in such subsequent years to serve for a term of three years. (By petition)

Article 8: To choose Agents and Committees in relation to any subject embraced in this Warrant.

Article 9: To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL at said Cornish this 7th day of February, 1973.

CORNISH SCHOOL BOARD REPORT

Increased community participation has helped to make this a productive and rewarding year.

Much effort has been directed toward readying the school Library. Attractive carpeting and book shelves have been installed. Tables, chairs and Librarians Station, now on order, will complete the furnishings. The Library Committee has been very active. Martha Tracy has spent countless hours, sorting and listing books. A gift of 1,000 dollars, from the Cornish Fair Association helped tremendously in getting the project underway. Salary for a part-time Librarian has been included in the budget.

Generous support from the Cornish Fair Association has made possible, in one operation, the implementation of long range plans for playground development. Earth moving and grading has provided a regulation size ball field and additional play area. Finish work will be done as weather permits.

We wish to thank Superintendent Disnard, Assistant Superintendent Waldo and the Union 6 staff for their assistance in many areas.

We particularly want to express our appreciation to Mrs. Sally LaVallee, who is retiring, for her years of teaching at the Cornish School. We also wish to thank all of the staff for their dedicated efforts.

To the Cornish P.T.A. and the Cornish Fair Association for their financial aid, and to the many individuals who have shown an interest in the school, a sincere thank you.

Willow H. Densmore
Michael M. Yatsevitch
Jill Edson
CORNISH SCHOOL BOARD

CORNISH ANNUAL SCHOOL DISTRICT REPORT
REPORT OF THE ASSISTANT SUPERINTENDENT

To the School Board of Cornish and Citizens of the Community, I herewith submit my report as Assistant Superintendent of Schools.

STAFF

The District experienced a turnover in four teaching positions since school ended last June, the same number as the year before.

Mrs. Cindy (Carte) Freebern of Hudson Falls, N.Y., replaced Miss Linda Agan as Grade 4/5 teacher. She was graduated in 1972 from the State University College in Potsdam, N.Y., with a BA degree.

Jerry L. DePalma of Morristown, N.J., is serving as teaching principal, succeeding Richard LaPlant. Mr. DePalma earned BS and ME degrees at Springfield College.

Miss Patricia Till of Westbury, N.Y., teaches Grade 3, replacing Miss Cynthia Mathewson. She was graduated from St. Bonaventure University in May, 1972.

Donald Bouchard replaced Charles Child as math teacher in Grades 6-8. A resident of Manchester and a 1971 graduate of St. Anselm's College, Mr. Bouchard joined the staff in early December. Prior to his employment, these classes were first instructed by Mrs. Jama Di Sorbo, a University of Colorado graduate, and then by Mrs. Mary Chatel, who received her degree from Emmanual College. Both Mrs. Di Sorbo and Mrs. Chatel resigned early in their year for personal reasons.

MINIMUM STANDARDS

Minimum Standards have been discussed frequently and debated over a period of four years. Last spring the Board worked diligently and conscientiously to prepare a comprehensive report that was submitted to Concord this fall. This detailed document charts a planned course of action and progress for our school and refers to many components including staff planning, supportive services, equipment, and facilities.

To reprint this report here would be too lengthy and too costly; however, copies for your study are available at the school. Upon request, we can duplicate additional ones for your personal needs.

It should be noted as requirements of the District change, the priorities as listed in this report can also be changed. Its purpose is not to restrict us to a rigid plan, but to get us thinking, planning, and doing. The Board does reserve the right to change the sequence and implementation date of those standards as it deems necessary for the improvement of the school.

A Philosophy of Education is being rewritten under the Board's Supervision. This statement, with its list of objectives, when completed will be widely distributed. It will state what you believe our school system should be, what you believe to be the role of students, teachers, parents, and citizens, within what guidelines you will expect us to operate. It will be a moral commitment from you under which the school personnel will carry out their respective duties. These principles will guide all of us toward meeting the expectations of the citizens of Cornish.

THE BUDGET

At this time, it is often possible to discuss with you some of the specifics of the proposed budget. This year it is not, as work sessions for its preparation are still in progress. One factor is certain - a number of increases are unavoidable. You are aware of an approximate 11 per cent increase in your utility costs this year - schools are not excluded. We are in frequent contact with suppliers and publishers; all are in agreement that most items necessary for the general operation of a school will increase about 10 per cent. Our tuition costs go up because of two factors: a larger grade 8 graduating class, and rising fees asked by receiving high schools. Nominal increase in teacher salaries are warranted.

Anticipated is a rather large end-of-year surplus this June. The sale of land to the town is one factor; the other is an unexpected decrease in tuition students in 1971-72. A number moved out of the town during the year; unfortunately a few decided to terminate their high school education before receiving their diploma.

CITIZENS FORESIGHT

I acknowledge the foresight of Cornish residents last year by purchasing additional acreage adjacent to the school. This planning for the future not only assures the District of expansion possibilities when and if needed - it is also most certainly a long range investment and savings plan. A 1972 study by the Federal Housing Administration shows a 41% increase in land costs from 1967 to 1972, and the projections soar!

Do citizens of Cornish and the state of New Hampshire still want cost of educating students to be carried almost entirely by the local property tax? The decision is of course ours. I do suggest, however, that such a burden falls too heavily on a large number of families. There are many resources that could be considered - but these will come only if you so promote.

There is a June, 1972, study by the U.S. Census Bureau which compares "tax loads" by states. The amount collected per person in New Hampshire last year was $180. The only other state under $200 was South Dakota at $196; all others were higher with Delaware at $454 the highest in continental United States. If New Hampshire is ever to pay its share of incentive aid, special education aid, or its other programs, it must find additional financial resources - or rearrange many of its present commitments.

OTHER

For a long time the state had set up recertification standards for professional staff. Last year that education department turned this great responsibility over to local school unions. A committee of citiznes, school personnel and students now have the important task of defining just what teachers and administration must accomplish to merit recertification and renewal of their license. Cornish is well represented by Mr. Herbert P. Reed. This group has until 1975 to study and develop their plan; at that time recertification will be based on "local" standards.

You have recently received a handbook for students and parents prepared by the staff and Board. I believe this an excellent step toward improved communication between the school and home. Shortly after a busy season of budgets and district meetings, I will ask the Board to do the same for school district policy. A number have been adopted over the past few years, some of which you are aware. Others should be revised and updated, and additional ones need to be written. Such a booklet would further promote rapport within the school-community family.

Enrollment is down just a little from last year. In January, 1972, there were 275 students in the school; as the new year opened this January, there were 260 at their desks.

A Visually Handicapped Mobile Unit is now available to help children with sight loss. Although based in Claremont, its services and teacher are available to help such children in the area. Our knowledge of these children isn't always 100 per cent; anyone knowing of students in need of this special help should contact Mrs. Diane Clay at my office.

IN SUMMARY

At this time we know of three teachers who will not return next September: Mrs. Seraph Lavalle, Miss Elizabeth Foote and Miss Alice Wise. While they are still with us, we acknowledge their devotion and commitment to the youngsters of Cornish. I know you join me in wishing for them health, happiness and fulfillment in their future plans.

There is one "unsung hero" on the staff who receives little recognition, but each day of the school year, Mrs. Gordon Cushing's presence and assistance has aided immeasurably the school's operation - especially during the past few years when the addition was being constructed, and during our rather high percentage of teacher turnover. I can count on her to assist new personnel and be my liaison person when it's impossible for me to be at the school. My personal thanks, Alice.

Although Mr. Barrus is no longer on the Board, his work with the census and as lunch director continue to aid all of us. His replacement on the Board,

Mrs. George Edson, and the other Board members under the chairmanship of Mrs. Arthur Densmore, have been perceptive to the needs of the school and have worked long and hard to improve upon the present situation.

The Library Committee has worked untiringly and achievement of their goal is almost here. The generosity of the Fair Assn., PTA, and others is sincerely appreciated. It demonstrates the team effort needed in a school system - only with everyone's help, support and suggestions can education be truly effective.

Richard F. Waldo
Assistant Superintendent
of Schools

REPORT OF CORNISH SCHOOL DISTRICT TREASURER
For fiscal year July 1, 1971 to June 30, 1972

GENERAL SCHOOL FUNDS

Cash on hand, July 1, 1971		$ 497.55
Received from Selectmen		
Current appropriation	$ 204,603.94	
State Sources	31,215.97	
Federal Sources	7,402.02	
Restricted Gift	1,007.00	
Trust Funds	15.98	
Other sources	3,000.14	
Total receipts		$ 247,245.55
Total funds available for fiscal year		247.743.10
Less School Board orders paid		236,984.74
Balance on hand, June 30, 1972		$ 10,758.36

BUILDING FUND

Cash on hand, July 1, 1971	$ 15,461.03
Less School Boards Orders Paid	13,611.33
Balance on hand, June 30, 1972	$ 1,849.70

CORNISH SCHOOL DISTRICT

PRINCIPAL'S REPORT

The school year 1972-73 has been an extremely busy and interesting one. Several classes have taken trips to various parts of the state. Included was the trip to the Kiewit Computer Center, and Museum at Dartmouth College.

The pressing problem of over-crowding is no longer as immediate as in previous years. At this writing, the 8th grade's 33 students and the 5th grade's 35 (split) are the only two grades overloaded. The attendance in September was 265 and since has dwindled to 256.

The library after years of talk, planning and struggles is nearing completion. Members of the community have given of their time to put the library into working order.

For the first time in the school's history we won at Burlington, Vermont in the annual Current Events Quiz. Not once, but two weeks in a row. The students and parents involved did one fantastic job.

Presently, the curriculum and schedules are being revamped to further meet the needs of all the students. It is our hope to develop such a schedule so as to provide a motivation factor for every student and to not hinder the progress of anyone.

In conclusion, I wish to thank the School Board, the Superintendent's Office, the faculty and the parents without whom the efficient operation of the school would have been impossible.

Jerry DePalma, Principal

January 22, 1973

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Cornish of which the above is a true summary for the fiscal year ending June 30, 1972, and find them correct in all respects.

Eben A. Farnsworth
E. W. Guest

SCHOOL NURSE'S REPORT
1971 - 1972

To the Cornish School Board and the Citizens of Cornish, I herewith submit my annual report as school nurse.

This past year the following examinations were given:- A total of three hundred and eight vision tests were done of which twenty-four students were referred for further examination-- seventeen of these received further examination and seven were to be followed up. Hearing tests were given to one-hundred and fifty-two students of which three were referred and received treatment. Color perception tests were given to ninety-one students.

Dr. Robert Lanzer gave thirty-one physicals to students participating in sports. Findings requiring treatment were referred to the parents.

Head and skin checks were done periodically throughout the year. Cornish has not had many cases of pediculosis (head lice); however I caution parents to check their children's hair frequently; this problem can be contracted from many sources other than at school.

The School Board purchased for the school a scale with measuring device. This was greatly appreciated and the students enjoyed being weighed and measured. All were done.

There was no serious outbreak of contagious diseases reported among the school children.

Fourteen short conferences were held at pre-school registration. This is an excellent opportunity for parents to become acquainted with the school health program and inform the school of any problem pertinent to their preschool child.

Please continue to keep the school informed of your wishes in the event your child is taken ill at school as to where to contact you or person who will be responsible for your child and provide transportation.

My association with all personnel and School Board members at Cornish is always a pleasure. My sincere appreciation and thanks goes to all for their generous cooperation.

Respectfully submitted,

Ruth D. Sanderson, R.N.
School Nurse

CORNISH SCHOOL DISTRICT
REPORT OF THE LIBRARY COMMITTEE

Last March the taxpayers voted to add $3,000 in the school budget to set up a Library in the Cornish Elementary School. A Library Committee was appointed to help look into furnishing it.

With much deliberation a room in the new wing was chosen. Thus far a wall to wall carpet and shelving have been installed.

Mrs. Tracy has prepared the books for cataloguing; which will begin soon.

The committee is now looking into the purchase of furniture.

Respectfully submitted,
THE LIBRARY COMMITTEE
Joan Baillargeon, Chairman
Martha Tracy
Barbara LeMere
Shirley Libby
Alice Hendrick
Willow Densmore

CORNISH SCHOOL DISTRICT

REPORT OF THE YEAR-AROUND SCHOOL STUDY COMMITTEE

A committee to study year-around schools was formed as the result of action taken under Warrant Article No. 10 at the March 3, 1972 School District Meeting. The committee, composed of the school principal, a board member, and three community residents, one being under the age of 25 years, was established at the beginning of the current school year. An initial investigation revealed a great number of sources of information about the subject. The committee members each chose sources from which they would obtain materials, study those materials, and report about to the group.

Information from various sources is still being received by the committee. The material is coming in slowly. Therefore, the committee feels it needs more time before it can come to definite conclusions and make recommendations.

Katherine Kibbie, Chairman
Jill Edson
Jerry DePalmer
Dana Sawyer
Clara Weld

CORNISH SCHOOL LUNCH REPORT
1971 - 1972

The Cornish School Lunch set a new record in the school year completed last June, serving a total of 31,153 meals.

It began the year with a balance of $797.90, and closed the year with a balance of $764.18, making a net loss of $33.62. However, delayed reimbursement from the State and Federal governments of $40.88 was received in December 1972, making a net gain of $7.26 actual account, but too late to be included in the year's balance.

Food costs have risen considerably in the last ten years, and labor cost has more than doubled, but Cornish School Lunch remains one of the very few in the state not receiving a substantial appropriation of local tax money.

An item to receive special mention is the dishwashing machine, located for us by Mrs. Joan Baillargeon, and purchased by gift from the P.T.A., local and Federal funds. For this we are all most grateful, as it not only saves time and labor, but allows the dishes to be washed with hotter water.

Those who work in the school lunch program wish to thank all the teachers, staff and supervisory personnel for much help and many kindnesses.

Respectfully submitted,

G. Alvan Barrus, Administrator

Blow-Me-Down Mill, Pond and Bridge, Cornish, N. H.
